

Dentist Arrives To Open Office On Main Street

Former Air Force Man Will Begin Practice Here Monday

Dr. Oliver Scow Jr. has arrived here to establish his dental offices in the rooms over Sarge's on the main street and expects to be starting practice by Monday.

Dr. Scow will occupy the offices recently vacated by Dr. Robert W. Affeldt, who was called into the armed services earlier this year, leaving the community without a dentist.

The newcomer, whose home was at San Francisco, is a graduate of the University of California and for a year he was on the teaching staff at the University of Colorado before entering the service. He only recently returned after more than a year in Korea, where he practiced in a mobile field dental unit of the 502nd Tactical Control Group. He will obtain his discharge from the Air Force today or tomorrow.

Dr. Scow has practiced general dentistry as well as surgery and technical work and is equipping the offices with all the latest in dental equipment, including an x-ray, laboratory and other modern essentials.

The doctor is married and has three children, Susan, Eric and Jan, the former two to enter the elementary school. Mrs. Scow is currently completing a nursing course at the University of California hospital.

The Scows are members of the Sierra Club and have frequently enjoyed winter vacations on Donner Summit, where they were enthusiastic skiers and winter sports fans.

The doctor expects to share his offices with Dr. George Hahn, a general medical practitioner, but the latter is still in the service and is not expected here for two weeks to start practice.

20-30 PICNIC TO BE HELD SUNDAY AT LOCAL LAKE

The 20-30 Clubs of Truckee and Sparks will hold a joint picnic on Sunday at Donner Lake, Harvey Hocker, president of the local club, announced. Harry Digesti has been named to become secretary of the Truckee 20-30, succeeding Al Koolhof. Mr. and Mrs. Hocker and Mr. and Mrs. Digesti comprise the committee in charge of arrangements for the Sunday outing.

At the meeting of the local club last night, held at Brown's Cafe, Skip Ferdinand reported on the progress of the Cancer Crusade drive, which he said was coming along fine "but could do better."

A 20-30 back country fishing trip is being planned for August 9 and 10. Members will meet at Cliff Ellis' service station at 5 p.m. on the 9th for "Jeep" transportation.

The meeting concluded with a song session, accompanied by Art Rafael at the piano.

Barbers Are Parents Of Baby Boy This Week

Mr. and Mrs. Robert Barber are receiving congratulations on the birth of a son who arrived yesterday morning at Tahoe Forest Hospital. The little boy has been named Robert Albert and his birth weight was six pounds and nine ounces.

INFANT EXPIRES AFTER SICKNESS

Funeral services are being arranged by the Truckee Colonial Mortuary for April Marie Turpin, nine-months-old daughter of Mr. and Mrs. Robert Turpin of Grass Valley who expired here Tuesday morning after a brief illness.

The family was camped near Deer Park on the Truckee River when the child taken ill and rushed to the local hospital.

JENNINGS TALKS AT LIONS MEET

M. L. Jennings, Southern Pacific district superintendent, gave an interesting and instructive talk before the Lions Club last night, explaining the new train radio-telephone system and discussing the snow problems of last winter.

On the latter subject, Jennings showed reels of motion pictures taken along the S.P. last winter. He also displayed some duck hunting movies and a reel taken during a recent visit of Lowell Thomas.

Angelo Besto presided and C. R. Heller was program chairman. Guests included James Sherritt, John Rau, Frank Acari and Howard Newsham.

'Flying Saucers' Finally Arrive In Truckee District

Not to be outdone by virtually every section of the country, the Truckee area sooner or later was to be visited by a "flying saucer" or some other super-natural phenomena.

A meteor-like object, trailing a brilliant tail, was observed at 10:30 last Thursday night by Martin Johnson of Donner Lake and his brother-in-law, James Ramsey of Balboa. The family had just returned home from Truckee and they were enjoying the cool evening air on the porch when the object originated apparently out of nowhere and sped like lightning across the lake and into the west over Donner Summit.

Johnson said the object appeared close when first seen but was momentarily visible with its fiery trail and then disappeared into distance.

Someone suggested it might have been a delayed action rocket left over from the Fourth, but Johnson and Ramsey both testified to its appearance.

Mystery Light
F. W. Wilson, employed as a watchman at the Stockton Box mill west of town, reports he saw a sudden brilliant flash of blinding light through a break in the clouds about 3 o'clock Saturday morning. He described the sky as rough and overcast and said the light appeared to be high overhead and slightly northeast.

Wilson emphasized, however, that his glimpse was momentary and that, while the position of the light could not be explained by any known beacons and there was no lightning at the time, he saw no object and doubts the illumination was caused by anything like a "flying saucer."

BOY SCOUTS AT PAHATSI FOR SUMMER OUTING

Members of Truckee Troop No. 7 of Boy Scouts have returned after a week spent at Camp Pahatsi near Soda Springs, where they enjoyed many outdoor activities, including a 20-mile hike, camping, swimming and other programs.

The local boys were accompanied by Scoutmaster Clarence Osburn and assistants John Street and Gene Riden, who took turns with the boys. The Grass Valley troop was camped with the local scouts.

Boys who received advancements in merit badge awards included Aaron Thomas, Kenny Osburn, Wilbur Conyers, Frank Giovannoni, Ray Roberts, Tom Dole, Donald Metteer and Jimmy Harris.

Truckee River Fishing Brings Good Results

Fishing along the Truckee River continues to bring excellent results, with flies and bait sharing popularity among the nimrods.

M. L. Jennings, Southern Pacific superintendent, who with Mrs. Jennings, is spending his vacation here, landed a five-pounder near the Stockton Box mill Monday. This is believed to be the largest trout caught in this immediate vicinity during the season.

Cecil Clepper of Rasco brought in a three pounder the day before Jennings' record catch.

Newcomers Will Build New Home at Gateway

Mr. and Mrs. Lew A. Baysinger and three daughters, formerly of Richmond, have arrived here where Baysinger is manager of the Stockton Box Company saw mill. The newcomers are planning to build a house in the Gateway Park district, J. Vind being the contractor for the attractively planned building. Two of the Baysinger children will enter local schools in the fall.

Hospital Bilked As Large Check Found Worthless

Woman Patient Presents Checks for \$351 For Care

A middle-aged woman, who recently spent a week in the Tahoe Forest Hospital, receiving treatment, including blood transfusions, narcotics and several other special applications for her ailments, paid her obligation with two allegedly worthless checks totalling \$351.

As a result, the hospital administrator, John Wardman, began a series of investigations in hopes of recovering the money if possible and also to warn others.

According to advices received here, the woman received similar treatment in various hospitals throughout the west and in every instant posed as the widow of a southern state physician and paid for services received with checks declared to be valueless.

The matter was referred to District Attorney Vernon Stoll, who said yesterday that he was attempting to secure evidence so a complaint can be issued. The official pointed out, however, that it is difficult to obtain sufficient evidence to prove conclusively that there was no money in the bank in question at the time the check was issued.

Stoll issued an emphatic warning to the effect that everyone cashing a check for strangers, and particularly on out of state banks, was taking an unwarranted risk. He said that travelers checks, bank credit cards and various other means of determining that the writer of the check has funds to cover the sum involved should be demanded before money is exchanged.

Wardman said he had been advised that the woman, who obviously was using an alias when here earlier this month, had been apprehended in Utah and was being returned to Placer County.

SERGEANT SMITH TAKES COMMAND OF LOCAL SQUAD

Sergeant Frank Smith arrived here last week to take charge of the Truckee squad of the California Highway Patrol. The newcomer recently was assigned to this area after serving on both the Oakland-San Francisco Bay Bridge and the Golden Gate Bridge. The sergeant is not married and lives here with his mother, Mrs. Ruth Larsen.

LEITCHS FETED AT FAREWELL BY TRUCKEE FRIENDS

Mr. and Mrs. A. P. Leitch, who are leaving this week for Placerville, were honored at a barbecue supper party given by a group of friends in the garden of Mr. and Mrs. T. T. Buell on Saturday evening. The couple was presented with a gift for their newly purchased home and cards were an added diversion.

Others sharing in the affair were Messrs. and Mesdames R. N. Little, Wm. Englehart Sr., Wm. Englehart Jr., L. D. Nelson, W. A. Loynd, N. R. Mayfield, Walter M. Barrett, Ray Scott, Harold Langille, V. C. Shattuck, Howard Newsham, N. F. Dole, Mrs. B. J. Riordan, Mrs. Roxie Archie and Richard Joseph.

During the week, Mr. and Mrs. Leitch were also feted at two parties given by the company personnel at Reno and Truckee.

TRUCKEE CHAMBER HAS FOLDERS FOR ADVERTISING AREA

The Truckee Chamber of Commerce has taken delivery of ten thousand new descriptive folders which are being circulated far and wide. A feature of the new folders is a map drawn by W. M. Englehart Jr., showing various points of interest and recreational centers throughout the Truckee district.

Other pictures and descriptive matter tell of the winter and summer sport activities and other local advantages.

Sun Beams by Walter M. Barrett

When we mentioned last week that in our opinion there are some unimportant officials who assume too much responsibility with their appointment or election, we didn't anticipate the reaction which it would cause. As a matter of fact, if the same attention and comment were given the editorials which we offer on trading at home, speeding and similar worthy objectives, we would feel that our efforts are being rewarded. It is most gratifying to learn that this column is read so thoroughly and taken so seriously. We weren't sharpshooting at anyone in particular in last week's item, but we take this opportunity to clarify the oft-repeated question: Any public servant who abuses his often brief and inconspicuous role to make himself an all-important master of his domain was the topic of the story.

The constant flow of bum checks into the economic life of the community has not been given sufficient publicity. This is probably due to the frequency of the fact, which destroys the news value. However, we wish to point out that almost every day someone in Truckee is tendered a worthless check, often by a stranger. We are advised officially that prosecution of these violators is difficult because of the necessity of obtaining concrete evidence before complaints are issued. We would suggest that evidence to prove the value of the check be demanded before it is cashed. This apparent is the only sound way the merchant can protect himself against planned and premeditated fraud.

NEW HIGH SCHOOL TO BE DEDICATED ON SEPTEMBER 13

Tentative plans have been made for the dedication of the new Tahoe-Truckee High School to be held at the high school Saturday, September 13, at 8 p.m. The band and chorus of the high school will take part in the program.

Speakers who have been invited to give addresses are Earl Warren, governor of California; Roy Simpson, state superintendent of instruction; State Senator Harold Johnson; Al Bequette, superintendent of Placer County schools; Clair Engle, representative from the second congressional district; Henry Loehr, chairman of the Nevada County board of supervisors; Walter Loynd, president of the governing board of the Tahoe-Truckee Unified School District.

Plans are being made also to serve refreshments following the dedication ceremonies. The chairman of the refreshment committee are Mrs. William McClain and Mrs. Byron Miller of Floriston.

HOSPITAL BOARD CALLS ELECTION FOR NOVEMBER 4

An election for the purpose of naming two directors to the Tahoe Forest Hospital board of governors has been called for November 4th.

Terms of Asa Abbott of Kings Beach and James Sherritt of Soda Springs will expire this year and while no definite announcement has been made, it is believed the two active directors will be candidates to succeed themselves.

Candidates must file petitions with the clerk of the district, Director Sherritt, before August 31 to have their names on the ballot. Other current directors are C. R. Heller, S. H. Sederberg and Raymond Scott.

Guests Here—

Ann and Judy Tamblin and Jim Hooper, all of Grass Valley, are guests of Mr. and Mrs. Vern Shattuck.

Change Address—

The Hugh Weinands have changed their address from Truckee to San Bruno, Calif.

Hesse Guests—

Mr. and Mrs. Harry Wetherald of Alameda and Mrs. Lucy Thomas of Vallejo were guests of Mr. and Mrs. Dan Hesse at the Sierra Guest House Monday and Tuesday.

Violations Held Responsible For Auto Accidents

Five Members of Truckee Family Are Injured In Mishap

Speeding, bad passes and failure to keep vehicles under control were blamed by the highway patrol for a series of automobile accidents in this vicinity during the past week.

Five members of the James McKinley family of Truckee suffered injuries yesterday afternoon at the Hobart railroad crossing when the pickup truck driven by McKinley collided with a westbound car driven by J. M. Gullekson, 42, of Ada, Minnesota.

Taken to the Tahoe Forest Hospital for treatment were Mrs. McKinley and three children, Carol, 8, Calene, 2, and Kay, 4. Two other children in the pickup were not hurt. Mrs. McKinley is believed to have major injuries.

Mrs. Gullekson and her mother, Mrs. Clara Ambuke, 70, had minor injuries. McKinley was cited by State Patrolman William Gautsche for being on the wrong side of the road.

Gateway Wreck
Leon Sansous, 28, New York, was cited for speeding and Gerald Olson, Oakdale, for turning without proper signal, following a collision at Gateway Park Shopping Center last Thursday. Both cars were damaged but no one was hurt. Patrolman Roy Stallard investigated.

Saturday morning Horace West, of El Cerrito, was cited for being on the wrong side of the road when his car and one driven by James Duncan of Salt Lake City collided on Donner grade, hurting Mrs. Martha Nayman of Oakland. Stallard investigated.

Tahoeite Hurt
Ernest C. Vandorder, 43, Tahoe City, suffered major injuries when a car he was driving ran off the road and hit a culvert four miles south of the Truckee wye on the Tahoe road. Mrs. Dorothy Van Gorder was also treated for major injuries. Patrolman Carroll Maynard issued a citation for speeding, being on the wrong side of the road and not having the vehicle under control.

Clarence Meeker, 65, his wife, Lucie, and Lane M. Hicks, all of Norwood, Ohio, were taken to the Tahoe Forest Hospital by Truckee ambulance yesterday afternoon when Meeker's car and a truck driven by Laurence Tavenner, Denver, collided on Donner grade. Patrolman Martin Sturcke is investigating.

BORDER OFFICIAL ARRIVES TO MAKE HEADQUARTERS

Lloyd Cranford, supervising inspector for all state department of agriculture quarantine stations along the Nevada border, has arrived here and will make Truckee his headquarters.

Cranford is a veteran in the quarantine service, having been with the department in California for the past 25 years. He came here from Blythe, where he supervised the southern California stations for the past ten years.

Mr. and Mrs. Cranford are making their home in one of the Dolley apartments. They have two daughters but both are married and live elsewhere.

Roy Waters Purchase Dwelling at Gateway

Mr. and Mrs. Roy Waters have purchased a house at Gateway Park, formerly owned by Vernon Sadoochi and at present occupied by Mr. and Mrs. Royal Elf. The Waters will move into their new home when the Elfs find a new location.

Grahams Here—

Mr. and Mrs. Ralph Graham and children of Folsom were overnight guests of Mr. and Mrs. Douglas Barrett, leaving today for Lake Tahoe.

To Live at Reno—

Mr. and Mrs. Henry Gall are leaving this week to make their home at Reno.

Truckee Escapes Damage As Rain Fall Hits Region

Although Truckee had only .85 of an inch of rain during the past week, flash floods in other sections of the region have raised havoc with highways and caused much property damage.

Roads were inundated and 100 people marooned near Twin Bridges on Highway 50 last weekend. The storm extended along a 75 mile front over Mt. Rose and spent itself in the Pyramid Lake area. More than two feet of water and debris stopped all traffic over Highway 50 at the south end of Tahoe.

The Mt. Rose road between Reno and Tahoe was washed away in some sections and will require two weeks to repair, the Washoe sheriff's office reported. Galena Creek roared out of its banks on Tuesday afternoon and demolished at least one home and threatened the lives of 20 persons. Cars were demolished and many others were stranded by the freak flood.

Several families were marooned by the high water but no deaths were reported.

The .85 of an inch precipitation here brought the season's total to 49.50 inches, the U. S. Forest Service reported.

FREQUENT FIRES FROM LIGHTNING KEEP CREWS BUSY

Frequent electric storms since Sunday have kept fire suppression crews of the Truckee ranger station, Tahoe National Forest, on the move. Seven scattered calls were answered due to lightning strikes in the area, according to Dispatcher Henry Toccalini.

Mount Pluto, between Truckee and Tahoe, turned up two and there was one each at Sagehen Creek, Camp 3 (six miles north-west of Truckee toward Euer Valley), Anderson Peak above Cold Stream, near Ward Creek south of Five Lakes, and on Barker Creek near Rubicon River.

Saturday the forest service fire fighters were called out to Truckee Resort, west of Truckee, where a small "man caused" fire was put out. None of these fires caused any appreciable damage.

Toccalini reports there have been 14 fires on the Truckee district since the first of the year, 10 caused by lightning and four were "man-caused."

TELEPHONE FILMS SHOWN TO ROTARY

"Operation Snowshovel" was the fitting title for the films shown at Monday night's meeting of the Rotary Club by John A. Snyder, Pacific Telephone Company official from Reno, who, with Paul Garwood, company district manager, and Howard Newsham, Truckee manager, were guests of A. P. Leitch for the interesting session.

The pictures were taken following the record breaking snow storms last winter on Donner Summit and depicted some of the rugged difficulties experienced by telephone company employees in maintaining service. In many places the poles, 30 to 50 feet in height, were completely covered and communications were continued only through efforts of the men with snow shovels.

Charles Osburn presided at the session and other guests included Francis Gray, Lincoln; Bob Emerson, Willows; Dr. Oliver Scow, Dr. George Hahn, Richard Joseph, Walter Barrett and Charles Heller; Truckee; J. C. Reid, North Hollywood; Thomas Richardson, Oakland; Alfred Lunhesi, Oakland.

Clarence Osburns Are Parents of Little Boy

Mr. and Mrs. Clarence Osburn welcomed a son on Saturday, July 26, in the Tahoe Forest Hospital. The lad, named Gene Earl, weighed four pounds and 12 ounces. Mother and son are reported as doing well.

FINED \$25

Earl Abel, Truckee, was fined \$25 in the justice court of Judge F. W. Wilson today on a charge of disturbing the peace. The complaint was signed by Spartacus Bologno of the Donner Hotel.

School Budget For Year To Be Object Of Meet

Proposed Expenditures Are Near Half Million For Year

A tentative budget calling for \$447,092.37 has been prepared by the governing board of the Tahoe-Truckee Unified School District for the fiscal year 1952-53.

A public hearing on the proposed budget will be held at the high school on August 5 at 8:00 o'clock.

Of the total amount budgeted, \$237,114.35 will be raised from direct tax on a basic rate of \$1.55 per \$100 assessed valuation. The balance represents a surplus of \$115,149.63 remaining from last year, including \$109,462.37 in the county treasury, \$3,550.42 in cash collections awaiting deposit, \$6,824.14 in accounts receivable and \$71.83 in the revolving fund.

Largest Items
The largest single item on the budget calls for \$133,406 for instruction, compared to an expenditure of \$134,765.75 for this same purpose in last year's budget. Administration cost for the district has been set at \$15,210, while \$32,900 is budgeted for operation of the school plants, with an additional \$17,000 set up for maintenance and \$14,596 for fixed charges, such as district contribution to employees retirement and other fixed charges.

The transportation bill will be \$26,405.

The total current expense of education, applicable to unit expense calculations thus would total \$239,517, slightly more than \$9,000 in excess of the 1951-52 budget.

Food service for the schools, including salaries and wages, was estimated at \$10,489.

Capital Outlay

An item of \$100,000 has been budgeted for capital outlay, \$18,000 more than was requested for this purpose last year. This expenditure, if approved, will include \$45,000 for improvements on the school grounds, \$50,000 for buildings and \$5,000 for equipment. An addition to the Truckee elementary school is contemplated and would come from this fund.

Aside from the money to be raised through the \$1.55 tax rate, the school district will receive \$55,059 from the state on the basis of an estimated average daily attendance of 520.53. This figure includes adult classes, police schools and kindred subjects, as well as the students attending regular classes.

Income Figures
Other items of income, aside from taxes, includes \$12,852.40 allowance for transportation, \$5,000 appropriation for current growth and \$8,900 for transfers.

The budget has been approved by Albert F. Bequette, Placer County superintendent of schools, who has jurisdiction over the local district.

CHILDREN INVITED TO ATTEND SHRINE CIRCUS AUGUST 6

Children residing in the Tahoe-Truckee Unified School District will have an opportunity to attend the Kerak Shrine Circus in Reno on Wednesday, August 6, as guests of the Shriners.

Buses will pick up the children at the following designated places and times.

Kings Beach Elementary School, 10 a.m.; Tahoe Lake Elementary School, 10:20 a.m.; Donner Trail Elementary School, 10:20 a.m.; Truckee Elementary School, 10:50 a.m.

The young people will be served lunch at the Shrine Circus grounds and will have an opportunity to see the circus. It is anticipated that they will be returned to their homes between 5 and 6 p.m. Some of the teachers and mothers from the various areas of the school district will accompany the children as chaperones.

Hostesses Are Named For Wyethia Meeting

Mesdames Charles Heller, Stanley Sanger, Rex Reid, James Thomas, and D. J. Hornman will be hostesses during the social hour tomorrow evening, to follow a talk on books by Mrs. Lucien Willard of Chico in the Wyethia Club here.

Driver Fined \$150 In Truckee Court

Wesley Mathews of Auburn was fined \$150 by Judge F. W. Wilson of Truckee for operating as a public carrier without a proper state permit. He was arrested on Donner Summit by William L. Hall of Sacramento, inspector for the public utilities commission.

Mathews was also placed on two years probation by the court.

Guards Are Needed For Prisons of State

California's prison system needs more guards, especially at the Folsom, Soledad and Lancaster institutions.

The state personnel board says that applications will be taken up to August 23 for a civil service examination to be held September 13. Technically, the position is known as "correctional officer" and pays \$281 to \$341 a month.

Experience in prison work is not necessary. Applications will be received from men able to show two years of any stable working experience or two years in the armed services or college. Out-of-state men may apply.

Normally new guards work up in one year to eligibility for the job of correctional sergeant, the board said.

Applications are available at Department of Employment offices and at the State Personnel Board in Sacramento, San Francisco or Los Angeles.

The "great fire of London" in 1666 destroyed 13,200 houses.

VERDICT IS UPHELD, AWARD TOO HIGH IN NORTH LAKE SUIT

AUBURN—Superior Judge Lowell L. Sparks has filed a memorandum opinion upholding the verdict of the jury which gave Frank and Fern James of Kings Beach \$4,561.60 compensatory damages against P. and J. Artukovich and four officials of the North Tahoe Public Utility District, sued as individuals.

He declared the \$5,000 exemplary damages awarded by the jury in the same case as too high. He directed the plaintiffs be given an opportunity to accept \$500 instead. If they accept, the entire motion for a new trial by the defendants is denied.

EARL LEE KELLY TELLS ROTARY OF AREA GROWTH

TAHOE CITY—Earl Lee Kelly of Sacramento was the speaker at the Tuesday luncheon meeting of the Tahoe City Rotary Club. He chose as his theme "Things That Are to Come," drawing on his background as president of the Sacramento Chamber of Commerce, a ranking vice president of Bank of America, member of the Sacramento Rotary Club and for-state director of public works. He predicted that by 1960 Sacramento will have a population of over 600,000—which should be of material economic importance to the Lake Tahoe region.

Kelly said that California has been doubling its population every 15 years and that 20,000 new residents are entering the state by car each month. At this rate, he estimates, California will have a 20 million population by 1960.

He cited as the reasons for the state's recurring waves of growth first gold, then the completion

of the transcontinental railroads, discovery of oil, agricultural development, industrial and business expansion during and since World War II.

Denis Sach presided at the session, held on the porch at Homewood Resort.

SWANEE'S Tahoe Letter

Tahoe City, July 27
Dear Tahoeites:
Today has been a strange one, with humid heat throughout the early part of the day and later a humdinger of a thunder and lightning storm, followed by a heavy downpour of rain. The latter settled the dust and cooled off the air but made things pretty wet for a while. The high today was 81 which has been equalled several times so far this summer. Art Fordeberg, our weather man at

the dam, tells me.

Enjoyed a lot the grand pot luck dinner held at Pineland Bowl last night by residents of the Pineland Tract. Around 75 persons gathered to share the delicacies provided by the ladies, a bunch of wonderful cooks. Excellent pictures of last winter's record snowfall in the tract, in some instances 16 feet deep, were shown, as well as pictures of Boulder and Shasta Dams. Del Richards and Bert Anderson were credited with the photography, some of which, in color, was superb. Anderson, Richards and Charlie Beardsley kept the evening interesting with their witty remarks and continuous patter. This is one community

Rail oddities

WHEN THE MISSOURI RIVER FLOOD THREATENED THE OMAHA-COUNCIL BLUFFS AREA LAST SPRING, THE RAILROADS EVACUATED 15,000 PERSONS TOGETHER WITH THEIR HOUSEHOLD EFFECTS.

THEY HAULED HUNDREDS OF CAR LOADS OF SAND AND ROCK TO THIS AREA, AND RAILROAD CREWS LABORED 'ROUND THE CLOCK TO HELP STRENGTHEN THE DIKES.

A SHORTAGE OF CHLORINE FOR THE CITY WATER WAS MET BY ONE RAILROAD WHICH LOCATED A SUPPLY AND RUSHED IT 120 MILES TO THE AREA.

which really enjoys real hospitality and neighborliness.

Dr. and Mrs. Jacob Smith and daughters, Wendy, Shelly and Patricia, of San Francisco have been enjoying the month of July at the Todd home on the lakeshore near the Tavern.

Had a very interesting letter from Dr. and Mrs. Lee Hand of San Francisco, who own a summer home in Timberland Tract. They wrote from the Roney Plaza at Miami Beach and were having a marvelous time. They had five wonderful days in New York, shopping, seeing the sights and shows and then took the Queen of Bermuda for a five day stay. They found it more modernized than before the war, with English cars and motor bikes. From there they flew to Nassau for four days of sightseeing and then flew to Miami where they found the weather warm and ideal. They both look like natives, so brown have they become via sunbathing. They planned to fly home by way of New Orleans and Dallas and were still hoping to see their son, now Lt. L. W. Hand, a jet pilot, stationed at Valdosta, Georgia, about 500 miles away. Their daughter, Marilyn, has been acting as a counselor at a girls summer camp and is looking forward to a vacation at the family home here in August, when the Hands too will return.

Albert Stevenson and his house-

guest, Herbert Reed of San Marino, who packed into the back country in the vicinity of Five Lakes Creek last week came home well rewarded, with limits of trout. Some were rainbow and some brook trout, the largest ranging around ten inches.

The task of rejuvenating the little cemetery just above the golf links at Tahoe City started today when Contractor Bert Anderson of Pineland and some of his good friends pitched in on the rambling old fence which has stood poorly the ravages of time and was in disgraceful condition. They pulled up the heavy posts, most of which are still sound, cut them off and sank them into solid ground. Bert took along his chain saw, which is attached to his truck, and one of the first things done was to remove the large old tree which had fallen across the plot during a storm, almost striking some of the gravestones. It was removed in 12 foot sections and work on the fence can now proceed. The fence when finished will stand about three feet high and should withstand the deep snows of winter better than a higher fence. The redwood pickets have arrived and only the cross-sections are being awaited. Those who volunteered today included, besides Anderson, Phil Geier, Bert Bruland and his brother, Swen, and Imon Mitchell. Good men all, working for a good cause.

PRIMARY TURN OUT IN CALIFORNIA NEARS 68 PER CENT

SACRAMENTO—The largest primary vote cast in California's history was made at the June 3 primary election, it was announced Tuesday by Secretary of State Frank M. Jordan.

A total vote of 3,651,912 or 67.83 per cent, was cast, Jordan said. Prior to the primary Jordan had predicted a 68 per cent vote.

The highest previous primary election vote was in 1950 when 63.8 per cent was cast.

Jordan said although the vote was high, there still were 1,731,609 registered voters who did not visit the polls. The total registration for the primary was 5,383,521.

Largest vote getter at the primary was William F. Knowland who received 1,341,170 Republican votes and 9,881 Democratic in his race for re-election to the United States Senate. His opponent, Clinton D. McKinnon, obtained 140,571 Republican ballots and 633,566 Democratic votes.

In presidential preference primaries, to instruct convention delegates, Republican voters preferred Governor Earl Warren over a ticket nominally headed by Representative Thomas Werdel by a vote of 1,029,495 to 521,100. In the Democratic presidential primary, Senator Estes Kefauver topped Attorney General Edmund Brown 1,155,839 to 485,578.

In the second congressional district, Representative Clair Engle won renomination as a Democrat, unopposed, with 53,443 and defeated his Republican opponent, Claude Van Norman, for the GOP nod 32,843 to 12,722. State Senator Harold T. Johnson of Roseville took both nominations for re-election without any opponent, polling a complimentary vote of 19,140 over Placer, Sierra and Nevada Counties.

In the assembly race for the sixth district, incumbent Francis Lindsay took both nominations from Bliss K. Harper of Placerville. Lindsay had 10,550 Republi-

Mrs. Marie Henry, member of the Placer County board of health, attended a meeting at Loomis on last Thursday night of the Placer County Tuberculosis and Health Association. Of the 32 persons present, 22 were directors. Dr. Cabot Brown, who has a home at Tahoe Park, motored all the way up from San Francisco to attend. He is one of the directors.

One of the interesting facts about the Henry family, which today honored Mrs. Mary Planett on her 80th birthday, is the fact that four birthdates occur within ten days. Little Mary Tabor Griswold (daughter Pat's baby) turned two on July 13; Mrs. Marie Henry turned a new leaf July 19, daughter Pat observed her birthday July 27 and Mrs. Planett's natal day is actually the 29th.

Judge C. W. Vernon added another year on July 26 as did Norman Mayfield, his neighbor. Happy birthdays to one and all.

Last week I offered felicitations to others having birthdays, among them old pioneer C. T. Bliss. This week I learn that he passed away some time ago in the bay area—something many (including me) have not heard.

Among the many gifts received by Mrs. Planett today for her birthday was a vase holding a single cluster of rose colored rhododendron, a rarity at Tahoe. This one plant which grows in the gardens of Judge and Mrs. Chester McDonald in Timberland has been carefully tended since being planted many years ago. The interesting fact, according to Charles Swanson, who helped to raise it, is that it has bloomed only twice in 23 years—and this is the second time this year.

Ring off for the week with a cheery adios to one and all, as ever, Swanee.

can votes to 8,211 for Harper and on the Democratic side won 12,716 to 12,353. Lindsay carried both tickets in Alpine, Calaveras, Inyo, Mariposa, Mono, Nevada and Tuolumne counties. Harper took leads for both parties in his own home county of El Dorado and his opponent's home county, Placer. In Amador, Lindsay topped on the GOP ballots and Harper ran ahead with the Democrats.

Fuller's earth was found in California as early as 1899.

SACRAMENTO —(C. N. S.)—Assemblyman Tom Erwin's interim committee on fish and game indicates it will make a drive for a million dollars a year of horse racing money from the state's share of the pari-mutuels to bolster the sagging income of the state fish and game department. That department is spending more money than it is receiving in licenses and fees from sportsmen and commercial fishermen.

ALBERT F. BEQUETTE

Superintendent of Schools, Placer County

MRS. MARY PLANETT IS HONOR GUEST ON 80TH BIRTHDATE

TAHOE CITY—One of Tahoe's grandest ladies, a beloved pioneer, who, with her family, operated the first bakery at the lake — Mrs. Mary Planet — was honored at an open house party at the home of her son-in-law and daughter, Mr. and Mrs. A. M. Henry of Tahoe City, Sunday. A large group of old friends dropped in between the hours of two and five to offer congratulations on her 80th birthday and to bring along gifts of all descriptions. They found her in excellent health and spirits, hugely enjoying the surprise party her family had planned for her.

Daughters Mrs. Henry and Mrs. Verne Daniels were co-hostesses. Fred Planet is a son.

Mrs. Planet and her family moved to Tahoe back in 1919 and operated resorts at Tahoma, Tahoe Vista and Carnelian Bay, at each of which she operated a bakery. Her husband passed away some years ago.

The Henry home was gay with bouquets of flowers and the buffet lunch included all manner of goodies, cakes, punch and other goodies. A number of pictures of the honoree and guests were taken during the afternoon.

Among those extending best wishes were Messrs. and Mesdames A. A. Snyder, C. W. Vernon, C. O. Wheat, Martin Spitsen, N. R. Mayfield, W. A. Simmonds, Phil Geier, Floyd Carnell, A. M. Anderson, Verne Daniels, Al Henry Jr. and children, Karen and Gary; Mrs. Evelyn Bliss, Justine Pingree, Eleanor Swanson, Fred Planet, Art Frodenberg, Mrs. Lillian Farr, Charlie Swanson, Suzi Lynn Bailey and Mr. and Mrs. Carl Becholdt Sr.

A turkey dinner on Sunday for members of the family at the Henry home here was climaxed by the cutting of a large and beautiful birthday cake.

GUEST ARTISTS DUE AT SERVICES OF LAKE CATHEDRAL

TAHOE CITY—Bishop Noel Porter of the Outdoor Cathedral near Tahoe Tavern reports his congregations grow in size with each passing Sunday as warm weather continues at the lake.

Guest speaker last Sunday was Rev. Dr. L. S. Anderson, head of the Pacific School of Religion at Berkeley, who is the guest at Homewood of Mr. and Mrs. Lowell Berry. Guest soloist was Mrs. Frances Carlson of Pineland, who resides at Burlingame and is frequently heard in recital in the bay and peninsula area.

Rev. Carl Tamblin has been the guest organist during July. Bishop Porter announces that organists who will be heard during weeks to come include Mrs. Georgia Sandy of Courtland, Mrs. William Wickersham of Vallejo and Peter Gibson of Oroville. Soloists to be heard are Fred Links of Sacramento, assistant state director of finance, who has a summer home at Carnelian Bay, and Edward Hughes of Oakland, well known Oakland tenor, who will be heard next Sunday.

Veterans Are Entertained In Pineland Bowl

TAHOE CITY—Members of the Women's Club of Tahoe entertained a dozen veterans from the Reno Veterans Hospital at the lake on Wednesday, June 30.

Ladies of the Reno AWWV brought the men over to the Pineland Bowl, a natural amphitheater constructed of logs by members of the Pineland subdivision. A picnic lunch was on the agenda for them, along with singing and other entertainment. This was followed by Ralph Sears of Sunnyside Lodge taking the veterans for a ride in a cruiser on the lake. Mrs. Frances Carlson of Pineland offered several vocal solos, accompanied by her neighbor, Mrs. Charles Beardsley, and Mrs. Marguerite Webb gave a reading.

Relatives Visitors—

Mrs. J. Paul St. Sure of Piedmont, who has been vacationing at the family home on the lakeshore near Tahoe Tavern, had as her guests recently her son-in-law and daughter, Lt. and Mrs. Theodore Birr III. The lieutenant was enjoying a ten-day leave from his post in Washington.

On Ward Creek—

Mr. and Mrs. Joseph Garcia of Redwood City are now occupying their summer cottage on Ward Creek for the summer.

VERNON ASSESSES FINES AGAINST ERRANT DRIVERS

TAHOE CITY— Judge C. W. Vernon of Tahoe City last Thursday fined Franklin C. Shadrack of Reno \$35 for excessive speed, the offender being cited July 19 by Patrolman Tom Sheehan following an accident at Carnelian Bay.

The judge declared that six persons paid fines of \$5 each for running the Tahoe wye stop signs between July 22 and July 27.

Judge Vernon on July 26 levied a \$25 fine on James W. Palmer of Kings Beach, who was cited July 15 by Patrolman C. B. Maynard on the Truckee River road when Palmer's motorcycle was wrecked. He had no driver's license and no license for his vehicle. He was injured at the time of the accident and received treatment at the Tahoe Forest Hospital.

Palmer told Judge Vernon he had just purchased the motorcycle and that the license had not yet reached him, producing a receipt to verify his story. He told the judge he was recently returned from the fighting front in Korea and that his vehicle was wrecked when a tire blew out.

Redwood seeds are very light, averaging 100,000 to a pound.

CRUISER TAHOE IS UTILIZED FOR PRIVATE PARTIES

TAHOE CITY— Captain Bud Scott of Tahoe Tavern, piloting his speedy cruiser Tahoe on July 23 carried a group to Secret Harbor on the Nevada side of the lake for a day of fun and feasting. Captain Paul Mady manned a special Chris Craft loaded with sumptuous food for the barbecue, which followed cocktails served by the host. The party left around 2:30 p.m. and returned to the Tavern around midnight after a marvelous day of swimming and water skiing.

Among those in the party were Mr. and Mrs. Alexander Cushing of Squaw Valley; Mr. and Mrs. Robert Watt Miller, Mr. and Mrs. Sheldon Cooper, Michael Marsten, Dorothy McNab, Mrs. Robert Gray and Mr. and Mrs. Albert Miller, all of San Francisco; Mrs. Thomas Mein of the peninsula and Janet Lyons of Tahoe City. The Albert Millers were hosts for the day, winning the plaudits of their guests as perfect hosts for a perfect day of entertainment.

Evening Cruise
A gay party of Tahoeites chartered Captain Scott's cruiser, Tahoe, Sunday evening for an evening of fun at Casino de Paris at southeast Tahoe. Those in the party included Messrs. and Mesdames Ernie George of Stockton; Matt Connors of Pasadena; Jay Shontz, Bill Connors, Bill Bechdolt, Ray Fellows of Carnelian Bay, Robert Pomin and Bud Scott; and Ned O'Laughlin of Pasadena, Jimmie Stewart and Mrs. Clarke Burnham.

Sergeant Jose Ortega, chief scout for Portola, discovered San Francisco Bay in November, 1769.

BAY AREA GROUPS JOIN ADVOCATES OF 4-LANED U. S. 40

SAN FRANCISCO— San Francisco, has officially thrown its weight into the movement to obtain construction of a modern four-lane highway across the Sierra.

On recommendation of the city's Regional Service Committee, the board of supervisors adopted a resolution calling on the state and federal governments to build such a highway, with the route of U.S. 40 across Donner Summit recommended.

"The military security of northern California and the safety of its population from disaster rests upon immediate construction of a modern, divided highway, four lanes or more, through the Sierra Nevada mountains," the board declared.

San Francisco's representatives in the state legislature and in congress were asked by the board to join with others in bringing the importance of this highway construction to the attention of state and federal authorities.

Joining the proponents of a four-lane Highway 40 over the Sierra this week was the Alameda County Highway Advisory Committee. The resolution was reported by State Senator Arthur Breed Jr., who is also a member of the state senate committees on finance and transportation.

Breed said that the Alameda County Highway Advisory Committee has "unanimously agreed that member groups, including cities and chambers of commerce, be urged to support the proposed trans-Sierra all-year military route as a national defense project."

ADVERTISE

W. R. YOUNG, BIJOU PIONEER, PASSES AT CARSON CITY

BIJOU— Wilton Richard Young, 63, postmaster for 37 years at Bijou, on the south end of Lake Tahoe and formerly associated with his brother, Charles R., in operating Young Brothers Bijou Lodge and resort, died in Carson City at 2:45 last Thursday afternoon. Death followed ten days of hospitalization.

Young was born in Genoa, Nev., August 19, 1889, but had lived most of his life in the Lake Valley area. In 1908 he and his brother

opened a store and resort at Lake Valley, in 1915 built a lodge and in 1934 built the Bal Bijou casino and dance hall. They sold the resort in 1951.

Beside the brother, he is survived by a sister, Mrs. Vida Ray of Los Angeles.

Funeral services were held Monday afternoon from the Bijou Presbyterian Community Church with Rev. Robert Staley officiating. Burial followed at the Union Cemetery in Placerville.

STATE IS SEEKING INSPECTORS FOR BORDER STATIONS

Inspectors are needed to fill vacancies at California borders to check automobiles for agricultural pests and contraband plant material, the state personnel board said this week. A civil service examination has been set with a final filing date of August 23. The year of California residence usually required of state job applicants has been waived.

Junior plant quarantine inspectors receive \$295 to \$358 a month. One season of agricultural inspection work and high school graduation will qualify candidates for the examination. Specialized study or additional experience may be substituted for the basic requirements.

Applications are available at the State Personnel Board in Sacramento, Los Angeles and at Department of Employment offices.

At Watson Mill—

Guests at the Watson Mill home of Mr. and Mrs. Robert Watson Sunday were Mr. and Mrs. Frank Evans of Stockton, who are vacationing at Bliss Park, and Mrs. Frances Tong of Clarksville.

Lake Level Near Peak, Other Reservoirs High

TAHOE CITY— Lake Tahoe apparently has reached its peak for 1952. A. E. Frodenberg, watermaster here, said the lake level Monday morning was 6228.71 feet above sea level, only .39 of an inch below the maximum allowable level, after remaining stable four days at 6228.69.

He said that although .46 of an inch of rain fell during Sunday's Sierra cloudbursts at Tahoe City, the rain did not appreciably boost the lake level.

Snow runoff is apparently now being largely offset by evaporation.

Warm weather prevailed during the week previous, with the following high and low temperature readings: July 21st: 78, 40; 22nd: 78, 42; 23rd: 80, 46; 24th: 78, 47; 25th: 76, 49; 26th: 81, 50; 27th: 76, 50; 28th: low 52.

The gates at Tahoe City are shut, with only enough water being discharged into the Truckee River to sustain fish life. There is

a net storage in the lake of about 710,000 acre feet.

Officials report upstream storage on the Truckee River is also at its high point for the year.

Boca Dam on the Little Truckee is holding its capacity of 40,500 acre feet. Donner Lake is holding its maximum storage of 9,100 acre feet and Independence Lake storage is close to capacity at 17,000 acre feet.

As long as the natural flow of the Truckee River is sufficient to meet irrigation needs, stored water will be held in the four reservoirs. In most years, discharge from the reservoirs starts from four to six weeks earlier than this.

Overlapping Agencies

The federal government has 16 agencies engaged in time management, in many cases duplicating one another's work, Rep. Russell Mack of Washington reported to congress.

TRI-COUNTY CLUBS AUG. 15 PROGRAM AT LAKE OUTLINED

TAHOE CITY— Mrs. Jeannette Mitchell, publicity chairman of the Women's Club of Tahoe, announces the program for the coming Tri-County convention to be held at Homewood Hotel August 15.

The morning session will be called to order at 10 o'clock by Mrs. Delbert Niegel of Cool, tri-county president, with an address to the large delegation which is anticipated. The prayer will be offered by Mrs. J. Paul Webb of Tahoe and Loomis, who is Bible chairman. The pledge of allegiance will be followed by open singing by the assembly.

Mrs. Blanche Donaldson, president of the hosting club of Tahoe, will deliver the welcoming address and will introduce the speakers of the day. These will include Mrs. Amer C. Stolp of Durham, president of the state federation of women's clubs, and Mrs. Guy Rogers, also of Durham, northern district president. Their addresses will take place during the afternoon session. Mrs. Fred Pedley of Soda Springs, tri-county second vice chairman, will offer the response, after which the various committee chairmen will make their reports and plans for the future of the federation will be discussed by tri-county chairmen and club leaders.

A recess will be called at 12:30 for luncheon and a style show will be featured during the repast. The luncheon will be \$1.75 per plate. The afternoon meeting will include more assembly singing, to be followed by disposal of unfinished business and resolutions.

Mrs. Mitchell has requested Bishop Noel Porter of the Sacramento and Lake Tahoe Episcopal diocese to address the ladies during the afternoon session. Reservations for the luncheon should be made as early as possible.

Shrine Circus at Reno Festive Event Aug. 6-9

Many from this region are expected to join the festive throngs attending the fifth annual Kerak Shrine-Polack Bros. Circus at Mackay Stadium, Reno, on Wednesday, Thursday, Friday and Saturday, August 6-7-8-9, at 2:15 and 8:15.

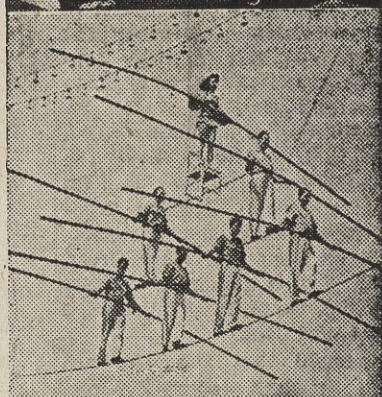

Thousands of children brought by special train and bus caravan from all over northwestern Nevada and northeastern California will be entertained at the matinees.

Mainfold aerial and acrobatic troupes, with a wide variety of animal features, give this year's circus a "better than ever" promise.

Exciting events aloft are interlarded with high-wire pyramids by the Great Wallendas, unparalleled mid-air precision by the Nine Ward-Bell Flyers, barefoot aerial adagio adventures by Les Gerandos, breath-taking high-pole exploits by Miss Rietta and graceful maneuvers in unison by the Aeriallovelles.

Animal innovations range from the horseback-riding jockey dogs of Karlis Petersons to Albert Spiller's oceanic combination of penguins and seals, and include Jack Joyce's performing camels, the fast-moving Packs of elephants presented by the MacDonaldis, Joe Lemke's comedy chimpanzees, and Alma Michaels with Harold Gautier's cute little poodles in a surprise novelty called "Excess Baggage."

Other headliners are the Theron Family in a lively revue of cycling versatility, the Four Whirlwinds in a cyclone of action on roller skates, Francis Brunn setting new records for speed in juggling, Hermanos Ibarra in whirling gymnastics on horizontal bars, the Myron Duo of foot-balancing experts, and the Karrel Trope in feats and formations on Roman

CIRCUS STARS— Carla Wallenda, shown (top) with the famous cornet-playing clown, Chester "Bobo" Barnett, is the youthful star of the Great Wallendas whose seven-person pyramid on the high wire (below) is one of the sensational new features of the 5th annual Kerak Shrine-Polack Bros. Circus, appearing August 6-7-8-9 at Mackay Stadium at Reno.

NEVADA COUNTY IS FAR OVER AVERAGE IN CHILD HELP PAID

Nevada County's \$113.63 average paid per family for needy children for May, 1952, is 49 per cent greater than the \$76.39 average aid per needy child family throughout the United States, the California Taxpayers' Association says.

During May, there were 137 families, including 303 children, receiving aid to needy children in this county. Total aid paid amounted to \$15,567 for the month.

Throughout California, there were 55,535 families, including

131,644 children, receiving aid under the aid to needy children during May. Average aid paid in the state per family for May was \$117.72, total aid for needy children for the month amounting to \$8,537,358.

Throughout the nation there were 598,401 families, including 1,546,313 children, receiving aid under the aid to needy children programs in the different states for April, 1952, latest data available.

Foreign Aid

The Council of State Chambers of Commerce has totaled up the country's foreign aid expenditures of the past 12 years and found the total—\$89,352,000,000—is equal to the value of all new home construction in the past 25 years. Just since the war, we've spent \$48,000,000,000 on foreign aid—exceeding the value of all property, plant and equipment owned by all American manufacturing corporations combined.

STATE IS SEEKING HISTORIAN FOR BEACHES & PARKS

A position of "historian" has been created by the California division of beaches and parks and applications will be received until August 30, the state personnel board announced. The post will pay \$481 to \$584 a month.

The assignment consists of doing historical and archaeological work on properties in the state park system. The historian will be the expert in cases of restoration, museum exhibits, informational pamphlets and other interpretive work for the public.

The beaches and parks division is looking for someone with at least three years' professional experience in connection with historical buildings or museums, plus a wide knowledge of historical research and restoration methods. He will be the historical expert in an interpretative program for the state parks being developed by Newton B. Drury, chief of the division.

Information and application blanks are available from the state personnel board at Sacramento, San Francisco and Los Angeles.

NIXON WILL SPEAK AT CAPITAL MEET ON SUNDAY

SENATOR NIXON

SACRAMENTO—Republican vice presidential nominee, U. S. Senator Richard Nixon, has accepted an invitation to speak to the Republican state central committee at its meeting in Sacramento August 3, State Chairman T. H. DeLap announces.

Senator Nixon will make a special trip to Sacramento to be present at the meeting which will be held in the Assembly Chamber at the State Capitol.

DeLap said Nixon will be scheduled to speak at 11:30 a.m. Sunday.

The 705-member G. O. P. state committee will be meeting in accordance with the law to elect new officers and conduct other business. The California Republican Party's state convention will be held in Sacramento on Saturday, August 2, when the state platform will be adopted.

State Printing Plant Bids Opened This Week

SACRAMENTO —(C. N. S.)—Bids for the construction of California's new state printing plant, to cost more than \$3,000,000, were opened Tuesday by the state division of architecture.

Foundations for the plant already have been laid, according to Anson Boyd, state architect. It is to be located north of Sacramento in a highly industrialized district. The structure will contain 257,000 feet of floor space and will be only one story in height.

The division also opened bids for construction of the new California Highway Patrol Academy, which will comprise four building units with 40,000 feet of floor space and, according to Boyd, will cost in the neighborhood of \$700,000.

RATE CUT LIKELY FOR TAXPAYERS IN PLACER COUNTY

AUBURN—A tax reduction of 35 cents on the \$100 of assessed valuation inside the incorporated cities of Placer County and 37 cents outside is provided in the preliminary county budget adopted by the supervisors.

Auditor W. R. Stephens announced the budget will result in a \$1.64 rate inside and a \$1.68 rate outside.

The final hearing on the figures tentatively is scheduled for August 15, when the amount may be raised or lowered.

To obtain the reduction, supervisors held their budget to the same approximate total as last year. The increased valuation announced by Assessor Lloyd Geraldson on July 7 added nearly \$12,000,000 to the county's tax rolls, most of it on increases demanded by the state board of equalization. The total amount to be raised by property taxes is \$2,797,530.91.

The tax reduction would be made despite proposed salary increases.

Salary increases averaging \$12 a month are provided in the preliminary budget. The one step raise for all county employees under the salary schedule would give a 10 cent an hour raise for road department employees and increases for two administrative employees.

The road commissioner's salary was raised from \$5,700 to \$6,300.

annually and the pay of his assistant was jumped from \$4,500 to \$4,800 a year.

Earlier the board boosted the welfare director's pay from \$4,452 to \$4,542.

STATE OFFICIAL OF LODGE VISITS

Mrs. Margaret Wetherald of Alameda, president of the California Eagles Auxiliary, paid her official visit to Truckee Auxiliary No. 1124 Monday. She was accompanied by the following state officers: Harry Westerald, past president of the Eagles; Mrs. Elma Brown of Roseville; Mrs. Lucy Thomas of Vallejo and Mrs. Elaine Michler of Sacramento.

A cocktail party was given at the home of Mrs. Dan Hesse, president of the Truckee lodge, and a banquet was held at Donner Lake Lodge. Yvonne Hall entertained with dancing and a business meeting followed.

Mrs. Westerald paid special tribute to the Truckee Aerie for having gained national publicity for its two civic projects in one year.

HUT OWNERS TO OBSERVE ARRIVAL

HOMEWOOD—Mr. and Mrs. Edgar Myers of the Hut will observe the seventh anniversary of their acquisition of the popular establishment on Friday, August 1. A cordial invitation to their friends to join them at the event has been extended and a buffet will feature the evening's entertainment program.

Beaver Colony Planted On Klondike Meadows

The first of a series of beaver colonies to be established in this region was installed on Klondike Meadows just under Martis Peak last week by Clyde Shehorn, game conservation trapper, and Game Warden Tom Borneman of Truckee.

The three male and three female beaver are from Plumas County and Borneman said they accepted their new home with apparent relish and immediately started the task of building their new homes.

Other locations for additional plants of beaver have been approved by the division of fish and game.

Browns Here

Mr. and Mrs. Russell Brown of Sacramento, former Truckee residents, were weekend visitors here. Brown, who was employed by the SP here, is occupying a similar position at Sacramento.

Coming from Kentucky—Mr. and Mrs. Ralph Snively of Kentucky are expected to arrive here to visit Mr. and Mrs. Hes Cardinal and P. Petroni.

Work is Progressing On State Station Here

Work is progressing rapidly on construction of the new Truckee state quarantine station west of the Truckee-Tahoe wye, under the direction of Vic Martin, southern California contractor. All of the excavating and underground installations have been completed and work on the structure itself is beginning.

The new station, to replace the old one four miles east of here as well as the Brockway station at Lake Tahoe, will cost more than \$90,000.

Visiting Here

Visitors for the past week at the A. Mahne home were Mr. and Mrs. Roy McKinnon of San Francisco, Mr. and Mrs. John Clark of Sacramento and Mr. and Mrs. John Golobic and son, Dennis, of Menlo Park.

With Parents

Mr. and Mrs. Eugene Iardi and sons from Sacramento are spending the week with Mrs. Iardi's parents, Mr. and Mrs. A. R. Ghirard. The Iardis formerly resided here.

BASEBALL TEAM WINDS UP 1952 SEASON IN HOLE

The Truckee Mountaineers ended their hapless 1952 season with the Placer-Nevada Baseball League without winning a game, dropping Sunday's lop-sided contest to the Lincoln Potters 34 to 3.

This marked the worst defeat of many defeats suffered by the locals this season. There was never a time during the entire nine frames that the Mountaineers offered a mild threat and in only one inning did the visitors fail to score. Costly bobbles, inability to hit and 28 hits allowed by the home team added up to the final result.

Every man on the visiting team scored at least one hit, with one, O'Shaughnessy, getting five for six, including four doubles.

Bert Munson, one of the three local chuckers, got two for three and Bud Owens, catcher, clipped out two for four, including a double. Campbell, Wakefield, Giovannoni and Jackson each got one hit. Home runs were polled by Shuper, Carnesecca and Vorous for the visitors.

The Potters were at bat 53 times—Truckee 31.

Although the Mountaineers failed to win a game, the boys were in there playing hard all the time and while their scores may not have been impressive, they are entitled to a high mark on the sportsmanship ladder. A great number of fans, too, continued to follow the games and cheer lustily for every good play, forgetting the score to concentrate on the fun provided.

The score: R H E
Lincoln 34 28 0
Truckee 3 8 6
Stevens, Carnesecca, Vorous and Shuper, Culbertson; Pomin, Munson, L. Goicoa and Owens, Frates.

Surprise Party Given For Terry Walker

A surprise party was given by Mr. and Mrs. James Walker for their son, Terry, who was eight years old Thursday, July 24. The chocolate cake with pink decoration was served at refreshment time and games were played. Invited to share the afternoon were Donna and Ginger Barnes, Dorette Rose, Donna Gracik, Linda and Judy Giovannoni, Barry Leamon, Martin Johnson, Gene Miller, Brian Phipps, Ronnie and Karen Walker.

Guests of Edwards

Mrs. Emaline Michler of Sacramento and Mrs. Elma Brown of Roseville were house guests of Mr. and Mrs. Robert Edwards this week.

White Family Visiting

C. B. White of Sacramento is visiting his father, Charles B. White, and is a business visitor at Donner Lake and Lake Tahoe. Mrs. Charles White is a guest of Mrs. W. F. Wilkie at San Francisco.

Harris Guests

Houseguests of Mr. and Mrs. J. E. Harris over the weekend were the latter's cousins, Mr. and Mrs. A. E. Blodgett of Ogden, Utah.

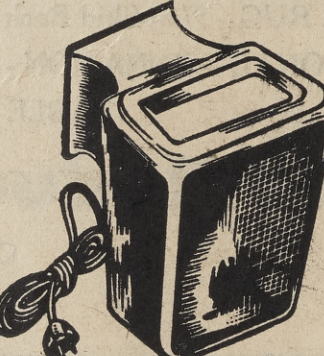

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the Sierra Pacific Power Co., Southern Pacific Co. and Jeep Patrol and our many friends who helped find our son's body and were so kind during our recent bereavement, and also for the beautiful floral offerings.
